

Learning Support Fee Structure

To meet specific individual needs, we provide regular learning and behavior interventions led by our SENCO, Pastoral Team, Teachers, or Teaching Assistants. These bespoke programs typically run for a six-week to one-term cycle and are provided entirely **free of charge**, ensuring all students receive the targeted support they need to succeed.

Supporting Your Child's Journey: 1-to-1 Learning Support Assistant

However, some children require more intensive and regular support to thrive at school. To ensure that children with specific Special Educational Needs and Disabilities (SEND) receive the dedicated attention they require to excel, we offer a bespoke **1-to-1 Learning Support Assistant (LSA) program**.

Support is regularly reviewed in collaboration with teachers, parents, the SENCO and Pastoral team to ensure it remains appropriate and effective.

Professional and Personalized Care

This service provides your child with a dedicated Learning Support Assistant who works alongside them throughout the school day, or their subjects and areas of need.

To maintain the highest standards of safety and educational quality, the school manages the following at no additional administrative cost to you:

- **Safer Recruitment:** All LSAs undergo background and safeguarding checks and Safeguarding Training.
- **Specialized Training:** We provide ongoing **Continuing Professional Development (CPD)** focused on SEND best practices.
- **Individualised Strategy:** Our team ensures the LSA is specifically trained to support your child's unique learning profile and personal goals.
